

## 2015-16 District Governor's Service Project Challenge

In an effort to keep our members busy, healthy, energized, and fulfilled. District Governor David is challenging clubs to get busy, and to stay busy. Keeping your members busy is a great way to keep them active, involved and attract new members to the projects we do.

Every club service project that is reported on time, to the District Cabinet Secretary/Treasurer Lion Alice-Faye, will receive raffle tickets in a end of the year **cash** drawing. Additional tickets will be awarded for each Non-Lion who participates in these projects.

### Rules:

- \* Must be a service project, not a fund raiser. Fund Raisers are nice, but they are not for this contest and have their own financial rewards.
- \* Must be reported on time via required monthly reports to District Cabinet/ Treasurer Lion Alice-Faye.
- \* There are no limits on the maximum number of tickets that can be earned in each quarter.
- \* Contest runs form July 1, 2015 to April 30, 2016
- \* Raffle tickets will be awarded at the quarterly district meetings.
- \* Winner will be drawn at the 2016 Joint District Convention in San Diego, CA.
- \* *Have Fun and serve your Communities!!*

**“Believe to Achieve”**

2015-16 District 4-L5 Governor  
David A. Radtke
