Explanation of notes used above:

- (a) When more than one is present, they shall be recognized according to the Roman alphabetic order of the first letter of their fully used family name. If the first letter is the same, go to the second letter, and so on. If the last names are identical, the same process should be followed with the first given name; if these are the same, then the middle name. In the unlikely event that the two names are identical, the one with the longest association membership shall be given precedence.
 - (b) When more than one is present, the one who served most recently is given precedence, and so on.
 - (c) When more than one is present, precedence should be the same as for past International presidents (see (b) above). In the event that more than one past International director who served during the same term is present, then the criteria specified for (a) should be used.
