## Lions Clubs International Objectives

**To Create** and foster a spirit of understanding among the peoples of the world.~

**To Promote** the principles of good government and good citizenship.~

**To Take** an active interest in the civic, cultural, social and moral welfare of the community.~

**To Unite** the clubs in the bonds of friendship, good fellowship and mutual understanding.~

**To Provide** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.~

**To Encourage** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.~

## Lions Code of Ethics

To **Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.~

To **Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.~

To **Remember** that in building my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.~

**Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.~

To **Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.~

**Always** to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.~

To **Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.~

To **Be Careful** with my criticism and liberal with my praise; to build up and not destroy.~

**CARE  
GIVE  
RECYCLE**

Your Used Eyeglasses  
Can Help Someone  
See Better

**“We Serve”**

One of the many ways Lions Clubs help in their communities is to collect used eyeglasses. These glasses go to California Lions Friends in Sight to be refurbished, read and distributed locally and in Mexico to those whose eye care may be unaffordable or inaccessible.

Imagine if you could help a child read, an adult SUCCEED in his job, or a senior MAINTAIN his or her independence. You can provide an opportunity for those in your community to thrive and succeed.

The founder of our organization Melvin Jones was born in 1879 at Fort Thomas, Arizona. His father was a Captain in the United States Army commanding a troop of scouts under General Nelson Miles, the famed Indian fighter. His mother gave birth and nurtured him, under the constant threat of Indian raids. Melvin's father was in the thick of the fighting until 1886, when Melvin was seven years old. After his father was transferred north, the family made stops at St. Louis, and Quincy, Illinois, and Melvin attended the public schools in both cities.

By 1913 he was the sole owner of the Melvin Jones Insurance Agency. In 1925, his wife Rose Amanda, was the winner of the National Women's Open Golf title at Pinehurst, North Carolina. A frequent quote from Melvin—"I was perhaps the first golf widower on record." He didn't quite mean it because his wife was a constant helpmate and strong right arm in his early career. Rose Amanda also assisted Melvin in his letter writing campaign to other clubs, feeling them out on the question of forming a national association.

His insurance office became the campaign headquarters, and many nights were spent answering correspondence, some encouraging and some discouraging. But out of that campaign came a growing enthusiasm for a new idea and club service...and in that little office, the spirit of Lionism was born. On June 7, 1917, at the invitation of Jones, 20 delegates representing 27 clubs from various parts of the United States, met in the East Room of Chicago's Hotel LaSalle...and here we are today. The greatest service organization in the world! Through his dream, vision and dedication that dream became a reality.

Lion Stephanie Gwinn is a native Californian from San Marino and moved to Norco so she could have her horse in her backyard. It is here that she met her loving husband, Stephen, who works for the US Navy.

Her love for photography is evident through the various calendars, magazines, newspapers, published in a book, websites, and one of her photos won the MD4 photo contest in 2022. Quilting is another new interest that was developed during the pandemic.

Her Lion's journey started as a Lioness, first as a club member, then president for the Norco Lioness club, twice. Next, Lioness District Chairperson for three years, and then became a Lion in 2017. She served on the Lion's convention committee as the Lioness representative for two years, then was the Lion's South Citrus Zone A Chair and the following year as the South Citrus Region Chair. She was the President of the Jurupa Lions Club, Secretary for the District Budget and Finance Committee and has served as the LCIF District Representative since 2018.

Stephanie has participated in all district officer training since 2017, and as many Lions' trainings as possible. They include, 2017 MD4 LLI Lions Leadership Institute, 2020 LCIF Lions Club International Foundation Training, 2022 California Regional Lions Leadership Institute, (RLLI) 2022 LCIF Lions Club International Foundation Training, 2023 Advanced Lions Leadership Institute, (ALLI) 2023 LCIF Lions Club International Foundation Training, and in 2023, the Facility Development Institute, (FDI) where she became a Facility Development Institute Certified Trainer. Please join her at the USA/Canada Leadership Forum in Reno where she will present a seminar for, Lions Club International Foundation (LCIF).

I am Sharyl Adams-Williams, who has been an educator over twenty-five years. I was born and raised in the San Jacinto Valley. Both of my parents were educators, my mother working at Hemet high school and my father at San Jacinto high school. I have a passion for travel, reading, buck pitch, also sometimes known as Setback or High-Low-Jack and bald single men. I have a Bachelor's Degree in Environmental Science and Liberal Arts Degree and Master's in Education. I consider myself a hobby farmer as it is more for pleasure than business. I raise one of the rarest chickens globally which are Ayam Cemani and Heritage Sebastopol Geese that are on the Conservatory list as a threatened breed. I am a proud member of the San Jacinto Lions club and have held board positions as well as district cabinet positions. I am a Melvin Jones fellow, Past District Lion of the Year and an MD-4 excellence award recipient. I look forward to working with Governor Hank and the rest of the cabinet. I can't wait to visit all of the clubs in the district to witness all of the distinctive club projects conducted by the great club of the district.

## **VISITING DIGNITARY INTERNATIONAL DIRECTOR Joanne Ogden**

Joanne Ogden from Emo, Ontario, Canada, was elected to serve a two-year term as an international director of Lions Clubs International at the association's 105th International Convention in Boston, Massachusetts, July 7 through July 11, 2023. Director Ogden has more than 38 years of experience as a registered nurse. She is currently health program supervisor for the Naicatchewenin First Nation, where she oversees and supervises programs for community health and home care nursing. Previously, she worked for 18 years in Intensive Care and has also published several articles on wound care. From a young age, she was taught the importance of doing her best for her family, neighbors and community. Although she did not originally intend to become a Lion, she chose to join the Emo and District Lions Club in 2010 in order to assist her community in chartering a new club. Since then, she has made an even bigger difference in the lives of her neighbors and community. In 2020, she transferred to the Northwestern Ontario Cyber Lions Club where she continues to serve to this day. She has held a number of offices within the association including Guiding Lion and multiple district GMT coordinator. She has served as multiple district 5M's director for KidSight as well as the Lions Foundation of Manitoba and Northwestern Ontario. Additionally, she was a district strategy planner for the NAMI pilot. In recognition of her service to the association, she has received numerous awards including an International President's Award and an International President's Leadership Award. She has been honored as a recipient of the Stu Peever Award as well as the 5M10 Kindness Matters Award. She is also a Progressive Melvin Jones Fellow. In addition to her Lions activities, Director Ogden is active in numerous professional and community organizations including her service as a board member and chairperson for Riverside Health Care. Her dedication to improving the health and wellness of the Indigenous peoples of Canada has been recognized and honored with the Award of Excellence in Nursing. Director Ogden and her husband, Kent, who is also a Lion and Progressive Melvin Jones Fellow, have been married since 1985. Their two daughters, Chelsey and Riley, are also both Lions. They have two grandchildren named Lauren and Cassidy. Their granddaughter Cassidy plans to join her family as a Lion on her birthday following high school graduation. In her spare time, Director Ogden raises Arabian horses, golfs and fishes with her husband, or relaxes with her three miniature dachshunds. During the winter, her family enjoys staying with Cuban family in Cayo Santa Maria. This year, Director Ogden will be traveling with PDG Angela Sharbot, who is a member of the Atikokan Lions Club, chairperson of Lions Foundation Dog Guides and Progressive Melvin Jones Fellow.

## DISTRICT AND CLUB PROTOCOL

### PURPOSE:

PROVIDE guidelines, NOT REQUIREMENTS, to encourage Lions to be proud of whom they are and present themselves with pride intelligently. It's about respect.

### IMPORTANCE:

Protocols are rules for correct behavior—"How to Meet Them, Greet Them, Seat Them and Treat Them."

- It's all about respect for our dedicated Lion leaders.
- It's part of the culture and tradition of our organization
- This recognition is part "compensation" for Lions work.
- It's a way of thanking leaders for their dedication to our organization.

Protocol relates to many things:

- Reception and entertainment of dignitaries; especially International, Multi-District, and District current and past officers.
- Proper introduction of Lion dignitaries at meetings and social events.
- Seating arrangements at conventions, District Governor's visitations, charter nights, etc.
- Respect for speakers, proper attitudes, and correct behavior.

### GUIDELINES:

These guidelines are divided into the following categories:

General Guidelines that apply to all areas.

Lions Clubs International (LCI) that may apply to all categories at related events.

MD-4 Guidelines that are being practiced by the Multiple District.

District Guidelines that are peculiar to District 4-L5

Local Club Guidelines.

### GENERAL GUIDELINE:

THE BEST PROTOCOL ADVICE IS TO HIGHLIGHT THE LAST STATEMENT IN OUR *LIONS CODE OF ETHICS*: **To BE CAREFUL with my criticism and liberal with my praise: to build up and not destroy."**

### GENERAL DRESS CODE:

A Lions pin of some sort should be displayed every day on the left collar of a shirt, T-shirt, and polo shirt, blazer, or jacket; or above the emblem of the Lions Vest.

The name tag is worn on the right, either clipped to the collar or attached just below the collar.

Wear the Lions vest, Lions T-shirt, or Lions polo shirt to all Lions events; including committee meetings—the color is optional. Non-Lion tops are discouraged from being worn to Lions events. PDG's blazers, Melvin Jones or other Lions blazers are always acceptable. It is not required, but always proper to wear a tie or scarf with such a blazer. A regular suit can be worn when a Lion is not District officer at any time.

Note: Some Lions may feel that "dressing up" is being aloof. This is unfortunate. It is always proper to represent Lions as being PROUD of whom they are. As they say in the military: It's what the uniform represents, not necessarily the man.

## PROTOCOL CONTINUED

Vests are designed to display as many pins and awards as possible. Blazers should display only a few top awards. Lions T-shirts and polo shirts need only display the Lion pin. Especially distinguished medals, such as the International President's Leadership Award, should be worn with a blazer and formal attire on the left side.

### ***WHEN TO STAND FOR INTRODUCTIONS:***

At Club and District events, Lions stand whenever the District Governor is introduced. At the District Governor official Club visitation, the Club President first introduces the Zone Chair; the ZC introduces the Region Chair; the RC introduces the 2nd Vice District Governor introduces the 1st Vice District Governor who in turn introduces the District Governor. If a visiting International officer is part of the program, Lions should stand when they are introduced; otherwise they stand only for the District Governor.

At District and Multiple District meetings, Lions stand only for the International President. Lions do not stand for Past International presidents, past and present International Directors, current and past District Governors, or visiting District Governors at District events. As District meetings it is recommended that all PDG's be asked to stand and be acknowledged as a group to simple applause.

## PROTOCOL—DISTRICT EVENTS

The dress code is the same as in general guidelines. Consideration should be given to selecting a "District" blazer to avoid having to purchase a myriad of colors and styles for officer blazers and slacks each year. This would have to be placed in the bylaws in order to be enforced. Individualism could be offered in the style and color of shirts, ties, scarves. Etc.

It shows lack of class to say "Protocol" when recognizing persons at the head table when asked to make a presentation or report. It would be proper to recognize the Lion of highest rank, followed by "distinguished Lions and guests."

### **Governors Service Challenge**

Each club will have the opportunity to earn a banner patch by completing a service project for each of the Lions Global Causes. An additional Governors banner Patch will be awarded to club (s) that earn all five Global Causes patches and completes a Community Needs Assessment.

All submissions and Assessment need to be received by April 1<sup>st</sup> to Global Service Team Coordinator

**EXPLANATION OF NOTES USED ON PREVIOUS PAGE:**

- (a) When more than one is present, they shall be recognized according to the Roman alphabetic order of the first letter of their fully used family name. If the first letter is the same, go to the second letter, and so on. If the last names are identical, the same process should be followed with the first given name, then the middle name. In the unlikely event that the two names are identical, the one with the longest association membership shall be given precedence.
- (b) When more than one is present, the one who served most recently is given precedence, and so on.
- (c) When more than one is present, precedence should be the same as for Past International Presidents (see (b) above). In the event that more than one Past International Director who served during the same term is present, then the criteria specified for (a) should be used.
- \* Appointees by the international president to committees of the International Board of Directors and the LCIF Executive Committee shall be introduced and otherwise recognized before Lions who have held the same office. During introductions, their appointment shall be mentioned. After their term of appointment is concluded, special recognition shall cease.
- \*\* Single, sub and multiple district constitution & by-laws or local customs and practice may alter the order of precedence and/or content of numbers 12 through 2

**GENERAL COMMENTS:**

A Lion holding more than one title shall be recognized for the highest one. In areas that have positions in addition to those listed above, they should be recognized in accordance with local customs, provided that elective officers always have precedence over appointive ones. It is recommended that Melvin Jones Fellows be recognized as a group. In introducing speakers, their status as Fellows should be mentioned.

**WHAT IS PROTOCOL?**

Protocol is the rules or conventions of correct and appropriate behavior and recognition of a group, organization or profession on official or ceremonial occasions.

**WHY FOLLOW PROTOCOL?**

Protocol is used because of etiquette, respect, order, good manners and common courtesy. The people recognized earned the reverence through their service and we owe it to them to be recognized appropriately.

**“MOVING FORWARD  
TOGETHER”**

## **GOVERNOR'S OFFICIAL VISITATION GUIDELINES 2023-2024**

**CLUB PRESIDENTS, make sure that these guidelines are followed when the District Governor makes his official visit.**

1. Keep your club's calendar open for the date established for the district governor's visitation. Do not have any club activity or business planned in conjunction with the official visitation.
2. The cabinet secretary will contact you to verify the date and time of the visitation and let you know how many of the governor's cabinet will be attending.
3. Please have the head table arranged as outlined on page 35 or in the president's training manual. Assist the governor's party in finding their places or assign a host to do so. Place cards are very helpful.
4. It is customary that the governor's and his/her spouse's meals are paid for at any function to which an invitation is issued during the year. Please let the cabinet secretary know in advance who your club will be hosting, when verifying the visitation date, to avoid an embarrassment.
5. If you would like the governor to present a special award or induct new members during the official visitation, please arrange for this **PRIOR** to the visit.
6. The club president should open the meeting as your club normally does. It is best to briefly introduce guests other than the head table prior to dinner. Official introductions of the head table should start after the meal. The president will first introduce their zone chair (or lowest ranking district officer in attendance). The zone chair will introduce the region chair, the region chair the 2nd vice district governor, the 2nd vice district governor the 1st vice district governor, who will introduce the district governor. The district governor will introduce the visiting dignitaries and any other members of the cabinet.
7. When a Lion holds more than one title, he/she shall be recognized for the highest one.
8. The district governor is an official representative of Lions Clubs International, and as such, should be given a standing recognition as a matter of courtesy. In addition, Lions at a district meeting should also stand for the following: international president, past international president, international director and visiting district governors. Do not stand for others, such as past district governors, visiting past district governors, etc.
9. After the governor's remarks the meeting will be turned back to the president.

### Lions Diabetes Camp of Southern California

was founded in September 2017 based on the new Lions Clubs International Diabetes platform.

The purpose of camp is to provide diabetes management and peer support, with a strong emphasis on independence, self-care, and relationship building. We accomplish all that by setting an exceptional Camp Experience with Doctors,

Dieticians, Health Coaches, Lions and Leos. The camp is run by Lions at Lions Teresita Camp at Wrightwood, Ca.

The **Family Camp Program** focuses on children 6 to 14-year-olds, families, and siblings of Type 1 and 2 diabetics.

The **Nudge Away Diabetes Program** was developed in 2020 and focuses on Type 2 Adult diabetes education and low carb healthy living thru Support Groups, Camps and Seminars.

City of Hope is a world-renowned hospital and research center, helping those with life-threatening illnesses such as cancer, diabetes, leukemia, and others. For over 60 years, the Lions, Lioness, and Leo Clubs of MD-4 have partnered with City of Hope to provide funds for ongoing research, treatment, educational programs, saving countless lives, providing exemplary patient care, and offering beneficial support for families.

But the local Lions Clubs have not just supported the clinical needs of City of Hope. In 1991 the Lions Japanese Garden was dedicated. Initiated by Los Angeles area Lions Clubs, its beauty and comfort is a continuing respite for patients and their families, clinicians, staff and doctors. It is maintained in the traditional style of Japanese horticulture.

In 2017 Lions, Lioness and Leos of MD-4 completed a fund-raising goal to name the Lions Clubs International Family Center at City of Hope. On December 31, 2017 Lions International President Naresh Aggarwal toured City of Hope and the newly named facility. On Lions Tribute Day in March 2018, everyone in attendance viewed the official dedication ceremony. It was an incredibly special day for MD-4 and for everyone who has worked for so long to make this unique endeavor a reality.

In 2019, Lions Clubs International received additional recognition from City of Hope. A special plaque honoring Lions contribution was placed on the Grand Donor Wall in the City of Hope Helford Hospital Lobby.

The current Lions fund-raising campaign at City of Hope, in keeping with the Lions Clubs International commitment to diabetes, is the **“Lions Diabetes Campaign”**. Included in the recognition for these donations will be naming of the ‘Diabetes, Endocrinology and Metabolism Lobby’ in honor of Lions Clubs International. A collaboration committee made up of Lions, Lioness, District City of Hope Chairpersons, and City of Hope Management is working together to facilitate this newest campaign.

Donations of any amount to the **“Lions Diabetes Campaign”** are graciously accepted and deeply appreciated. Thank you, gifts will be awarded at Lions Tribute Day at City of Hope, tentatively scheduled for **Sunday, March 28, 2021**.

All contributions from your Club or members should be made payable to City of Hope, designated with **“Lions Diabetes Campaign”** and sent to Lions District 4-L5 Chairperson L/Ls Jeanne Vaughan at the address above in order to be properly credited to your Club and District 4-L5.

## LOMA LINDA LIONS EYE FOUNDATION, INC.

### (LLLEF)

(LLLEF) offers services throughout Riverside and San Bernardino Counties through a partnership with the Loma Linda Pediatric Ophthalmology Department. Through this partnership we are able to offer needed financial help and care to families of children with vision issues that may be corrected with the use of corrective eyewear, vision therapy or surgery. Funds raised by LLLEF might also be used by parents of the pediatric patients to help offset the cost of transportation or hotel visits while their child is undergoing treatment. LLLEF and LLUPOD also recently partnered with the District 4-L5 Lions KidSight USA Program to coordinate the vision screening of children between the ages of 6 months and 6 years of age at preschools throughout District 4-L5. This program provides Lions members who visit the preschool perform the vision screening, report the results to the school nurse or director and in turn the parent will be notified if a follow up examination is recommended. A list of Ophthalmologists & Optometrists in the area will be furnished to the parents and they will make the arrangements for follow up exams. Within a few weeks of the exam at the school the parents will be contacted by Lions to check and see if the child has been seen by a Dr. for follow up. The Lions KidSight USA is a nationwide program through Lions Club International to evaluate children before the age of seven years when vision problems are most easily corrected and most often unnoticed. Our goal at Loma Linda Lions Eye Foundation is to help parents of all backgrounds and financial need help assure that vision problems are found at an early age so that every possible measure can be taken to preserve the vision of the child.

To help ensure a prompt and fair answer to all questions, the following procedures shall be followed:

1. All Committee Chairpersons or other Lions involved in giving awards shall keep all documentation through their terms of office showing how their decisions were reached.
2. Any Club or individual Lion questioning an award shall notify the Governor, in writing, within one week of the award presentation. The District Governor shall appoint a committee to review the matter within one week of its receipt.
3. The Committee shall, within two weeks of receiving the referral, examine the award documentation and any other relevant information and issue a written recommendation to the District Governor.
4. The District Governor shall, within one week of receiving the Committee's recommendation, issue a written reply to all concerned. The District Governor's reply shall be the definitive answer to the original question concerning the award.

## ROAMING LION AWARD

This award will be presented to an individual Lion who visits twenty (20) Clubs and verifies the visits with a visitation slip (s) signed and dated by the Secretary of each club visited. The contest will run from April 1 through March 31. The roaming Lion Awards will be presented at the District 4-L5 Convention in May.

**Please Note:** This is an individual award and visitations may not be combined with other club visitations or Individual Long Tail Awards.

## **INTER-CLUB ACTIVITIES**

The practice of “borrowing” another Lions Club’s paraphernalia shall be regulated in accordance with the following rules:

**Rule 1:** Paraphernalia referred to above shall be limited to the Club Bell and/or Club Gavel. Once such items are in the hands of the “borrower” it shall be considered the “borrowing Club’s possession,” without contest, until retrieved in accordance with Rule 6 below. The Club Bell and/or Club Gavel should in no way be fastened to any person or material, making it impossible to “borrow.”

**Rule 1 (A):** Any Lions Club that “borrows” a Club Bell and/or Club Gavel shall return the “borrowed” paraphernalia in the same condition as when it was “borrowed.” This means **NO ENGRAVING** without the owning Lions Club’s written permission.

**Rule 2:** No other paraphernalia shall be “borrowed.”

**Rule 3:** No paraphernalia shall be taken at any time other than during a regular meeting of the home Lions Club, while the meeting is in session. For the purpose of this rule, a regular meeting of the Lions Club does not include occasional functions such as Spouse (SPSO) Night, Charter Night, Zone, or District Meetings, or Official District Governor’s Visitation.

**Rule 4:** Any Lions Club “borrowing” paraphernalia shall notify the losing Lions Club of the whereabouts of said paraphernalia within ten (10) days of the date of “borrowing.”

**Rule 5:** No cash shall be required to redeem “borrowed” paraphernalia. A Visitation (Club) is the purpose of the borrowing.

**Rule 6:** If the losing Lions Club shall visit the “borrowing” Lions Club during an Official Visitation, the paraphernalia shall be returned at that time. The losing Lions club, in order to retrieve paraphernalia, should have the required number of members for a regular Club Visitation.

**Rule 7:** No force shall ever be used to retrieve “borrowed” paraphernalia at the time of confiscation. Once the “borrowing” Lion puts their hand on the paraphernalia, which is left unattended, it is theirs.

**A Christmas Carol**

**by Charles Dickens**

**Adapted by Kathryn L. Gage**

**It is Christmas Eve and after a long day's work, the mean and miserly Ebenezer Scrooge trudges home to spend another night alone in his cold rooms. Alone, however, is not what he will be this night. Very soon he will be visited by his dead partner, Jacob Marley, who has arranged some very special visitors for Scrooge. A traditional telling of this wonderful, classic story.**

## Melvin Jones

### Founder of Lions Clubs International

Melvin Jones was born on January 13, 1879 in Fort Thomas, Arizona, the son of a United States Army captain who commanded a troop of scouts. Later, his father was transferred and the family moved East. As a young, Melvin Jones made his home in Chicago, Illinois, became associated with an insurance firm and in 1913 formed his own agency. He soon joined the Business Circle, a businessmen's luncheon group, and was shortly elected secretary. This group was one of many at that time devoted solely to promoting the financial interests of their membership. Because of their limited appeal, they were destined to disappear. Melvin Jones, however, had other plans.

"What if these men," he asked, "who are successful because of their drive, intelligence and ambition, were to put their talents to work improving their communities?" Thus, at his invitation, delegates from men's clubs met in Chicago to lay the groundwork for such an organization and on June 7, 1917, Lions Clubs International was born. Melvin Jones eventually abandoned his insurance agency to devote himself full time to Lions at International Headquarters in Chicago. It was under his dynamic leadership that Lions clubs earned the prestige necessary to attract civic-minded members. The association's founder was also recognized as a leader by those outside the association. One of his greatest honors was in 1945 when he represented Lions Clubs International as a consultant in San Francisco, California, at the organization of the United Nations. Melvin Jones, the man whose personal code – "You can't get very far until you start doing something for somebody else" – became a guiding principle for public-spirited people the world over, died June 1, 1961 at 82 years of age.

## Helen Keller

**"Alone we can do so little;  
Together we can do so much."**

Born in Tuscumbia, Alabama, USA, in 1880, Helen Keller developed a fever at 18 months of age that left her blind and deaf.

With the help of an exceptional teacher, Anne Mansfield Sullivan of the Perkins School for the Blind, Keller learned sign language and braille. A few years later, she learned to speak. As an adult she became a tireless advocate for people with disabilities. In 1925, Keller attended the Lions Clubs International Convention and challenged Lions to become "knights of the blind in the crusade against darkness."

The Lions accepted Keller's challenge and our work ever since has included sight programs aimed at preventable blindness.

### **Helen Keller Day**

In 1971, the Board of Directors of Lions Clubs International declared that June 1 would be remembered as Helen Keller Day. Lions around the world implement sight-related service projects on Helen Keller Day.
